Strengthening the Foundation
of Foster and Adoptive Families

About Us

We are a team joined by the love of God and focused on sharing that love with you. Sisters in Christ. Maya and Aliyah met Amelia when she was 3 days old, an instant connection was formed. Our family's hearts were bonded as one. Through Amelia being adopted our family grew. Over the past couple years we have supported other adoptive and foster children and we have seen a great need. We want to support these children and their families with the love God has shown us. Maya and Aliyah are joined by their mother Lisa, aunt Amanda, cousin Remington, friend Casey, Amelia's mother Gretchen and Amelia's aunt Brie as well as multiple other friends and family who have come together to serve you with the love of God.

Amelia's Closet

Our closet provides clothing and personal items to begin the process of rebuilding a foster child's self-esteem and provide them with belongings that they can call their own. Meeting these essential needs allows the foster families to use their funds to help children adjust to their new homes. Amelia's Closet is a subsidiary of Home Base Ministries.

Respite Nights

Respite nights provide foster families a break and time to spend together. Parents can take the night off while loving volunteers provide their children with fun activities in a safe environment. We hope this will provide foster families with the support they need and help caregivers take care of themselves.

While it may seem small,
the ripple effect of small
things is extraordinary.

Our people must learn to
devote themselves to
doing what is good, in
order to provide for
urgent needs and not
live unproductive lives.
